elskescape: Actually i dont feel like getting in trouble with discord
junker_666: Me when I have a link of it :trollpsycho:
smittyyyy: I really wanna watch it
smittyyyy:
smittyyyy: @Puddlepuppy_ us Fr
smittyyyy: @Puddlepuppy_
smittyyyy: Why is it pinging the role
smittyyyy: Whatever cannot be bothered
nuttsbutter: Allow me
nuttsbutter: @Aether² (Hydro)
nuttsbutter: :aeSmile:
smittyyyy: Why does it ping the entire role
nuttsbutter: I have no idea
smittyyyy:
nuttsbutter: Maybe the new name thingy in discord?
smittyyyy: It’s the new username update for sure
smittyyyy: Gotta love it
smittyyyy: :CatBlink:
nuttsbutter: This is why I refuse to update
smittyyyy: I love not being able to ping people now
nuttsbutter: This old build adapted by just putting a #0 behind the persons username
nuttsbutter: That way it pings them and not something else
smittyyyy: I didn’t even really care about the update tbh but it’s really irritating that this is an issue
smittyyyy: I wonder how else to ping
Deleted User: :CatBlink:
smittyyyy: Maybe directly from hydro’s username?
nuttsbutter: Maybe remove the underscore at the end?
smittyyyy: Idk that’s in the actual username tho
smittyyyy: I feel like it would just ping nothing then.
smittyyyy: Lemme try something
smittyyyy: @Puddlepuppy_
nuttsbutter: Hmm. Maybe you could add a #0
smittyyyy: Nope
smittyyyy: Can’t even use the profile directly
smittyyyy: I clicked “mention”
smittyyyy: Still doesn’t work lol. Feel like this wasn’t an issue two days ago.
nuttsbutter: Might have to change the roles name by just 1 letter
smittyyyy: I’ve heard talk of this issue in other servers actually
smittyyyy: Where you now can’t ping certain people
smittyyyy: Because their name overlaps with a role so now they’re not able to be mentioned.
nuttsbutter: Wack
smittyyyy: Seems like a pretty massive design flaw ngl.

nuttsbutter: I’m just vibing in an old build where these problems don’t exist
sheebadreams: Odd, I've been able to ping Hydro just fine
nuttsbutter: :catJam:
smittyyyy: I have too
sheebadreams: @Aether² (Hydro)
smittyyyy: But all of a sudden I can’t
sheebadreams: Like that
sheebadreams: Huh
smittyyyy: I posted a video of what I’m doing
smittyyyy: Above
smittyyyy: I’m just doing exactly what I’ve always done to ping tbh
sheebadreams: Hm, that is odd
smittyyyy: I have literally no clue why it’s not working but I have seen this issue in other servers t
sheebadreams: I put in "H" instead of "p"
sheebadreams: Try that?
smittyyyy: What do you mean?
smittyyyy: I’m just clicking the name in the pop-up list.
smittyyyy: I’m not sure how else to ping because even directly clicking isn’t working
sheebadreams: Is it just for Hydro or others?
sheebadreams: Oh wait
smittyyyy: Anyone whose name overlaps with a role
nuttsbutter: Perhaps due to hydros name starting with a p maybe typing h first will trick it into thin
sheebadreams: Sorry can't see -_-
Deleted User: :flabbergasted:
smittyyyy: I did do h first
smittyyyy: In the video
nuttsbutter: Ah
nuttsbutter: :brainlet:
smittyyyy: I typed hydro and then clicked
nuttsbutter: I failed to see that
smittyyyy: But yeah not sure what else can be done or why it’s just not working on my end
smittyyyy: I guess I’ll have to Google it
smittyyyy: I was totally fine pinging the other day lol.
sheebadreams: Yeah
nuttsbutter: A temporary fix would probably be to put a space in between the role puddle
sheebadreams: Not sure if that'll work?
smittyyyy: Yeah it seems like the role itself will have to be changed
nuttsbutter: Since it would be a different name then and shouldn’t overlap exactly with hydros nar
sheebadreams: But maybe?
smittyyyy: Well the other example I have of this
smittyyyy: Someone had ‘Jersey’ in their username. There were also state roles. So they couldn’t
smittyyyy: Also reading up other people are having this problem
nuttsbutter: Hmm
nuttsbutter: I’m honestly out of ideas sadly
nuttsbutter: Other than find discord mods and make them explode I’m not sure how to help
nuttsbutter: Imma put a bobcat firework in their cereal

smittyyyy: Tbh discord support is dogshit lol
smittyyyy: They don’t give a fuck
smittyyyy: We’ll get a fix to this in maybe 6 months ■
nuttsbutter: Why would they care?
nuttsbutter: They are swimming in money
smittyyyy: Idk been a discord member since 2k16/17
smittyyyy: They used to actually help
nuttsbutter: And money takes all the problems away
smittyyyy: I kind of started getting fed up with it when they stole $70 from me.
nuttsbutter: How?
smittyyyy: And then told me to fuck off basically.
sheebadreams: Oh I remember that story
smittyyyy: Long-story short I bought Nitro recurring one month. I got the Nitro for a month and the
smittyyyy: So I lost like $70 because this went on for almost a year.
sheebadreams: Yeah that's pretty stupid :/
nuttsbutter: Oh shit
smittyyyy: Never got my nitro and now if I try to subscribe to nitro again I can’t because my accou
nuttsbutter: So that’s what’s wrong with my account
nuttsbutter: I’m still getting charged even though the 3 free month thing ended
nuttsbutter: And I told it not to continue
smittyyyy: Just call your bank
sheebadreams: How are you getting charged?
smittyyyy: They don’t give a damn
sheebadreams: You don't have a card-
nuttsbutter: Well uh it’s my moms sadly
sheebadreams: .-.
smittyyyy: Yeah the company still holds your card info
nuttsbutter: At the time I didn’t have a bank account
smittyyyy: So even if you cancel, *technically* they can still use it.
sheebadreams: Does she know? ^^;
smittyyyy: It’s not legal
smittyyyy: But what are you gonna do, ya know?
nuttsbutter: Those sons of bitches
smittyyyy: It’s not worth it going to small claims
smittyyyy: You’d pay more in time and legal fees.
smittyyyy: And discord gets to keep skimming off of people
smittyyyy: They just make sure to keep the amount low enough that nobody can afford to push it
sheebadreams: I just use google play gift cards
sheebadreams: :mischevious:
sheebadreams: I cheated the system
sheebadreams: Idk how but I did
smittyyyy: And I mean, I’m well aware discord is NOT the only company to do this but it still sucks
sheebadreams: I mean I still pay for it monthly but I didn't want to give my card info to them
nuttsbutter: It’s still messed up to even do it in the first place
sheebadreams: Yeah
nuttsbutter: I don’t want my account glitched but if I have to then I will

nuttsbutter: Cause it’s sapping $10 a month
sheebadreams: Yeesh
nuttsbutter: All I did was have the nitro thing Xbox offered
sheebadreams: Yeah
nuttsbutter: And once it ended I thought that would be the end of it and I was fine with that
sheebadreams: We both got nitro the same month
sheebadreams: Well
nuttsbutter: Welp. Guess I have to attempt to explain this to my mother somehow
nuttsbutter: She’s going to be very confused
sheebadreams: Yeah that would be best ^^;
sheebadreams: And she can see if she can some how block that payment?
sheebadreams: If you want that
nuttsbutter: I hope so
nuttsbutter: Nitro is cool and all but I can live without it
sheebadreams: Yeah
nuttsbutter: Or maybe I could just remove my moms card number off my phone
smittyyyy: Yeah I wish I had answers for this but each time I’ve tried to subscribe again to get an
smittyyyy:
smittyyyy: BTW Borkley — your mother can chargeback with her bank. Usually you can explain t
nuttsbutter: Stop it from even attempting to make the transaction
smittyyyy: And then after she files, she can block charges from that company.
smittyyyy: If she’s in good standing with her bank, they’ll probably just reimburse her.
smittyyyy: It’s a shame this corporation literally just steals money but whatever.
smittyyyy: Support legit just told me they don’t know what’s wrong and that they won’t refund me
